## APRIL 2020 NEWSLETTER

### Points to Ponder

Let Fort McClellan Credit Union's mortgage products help you down life's road! Visit one of our branch locations and let our trusted home-buying experts help you get on your way!

Shopping for a home isn't all that different from shopping for anything else. Before you can really start looking, you need to know how much you can comfortably afford. Instead of calling a real estate agent, make the credit union your first call. We'll tell you how much you can afford, what your likely monthly payments will be, and what the loan options are.

Speak to our  
mortgage officer at  
**256-237-2113**  
for more details.

**Fort McClellan Credit Union  
now offers USDA, FHA, VA,  
and Conventional Mortgages
